

STRATEGIC SACRIFICE

EFFECTIVE DECISION MAKING

WHERE ARE YOUR RESOURCES GOING?

Decision making is an integral part of strategy. Every time you make a decision you are pruning or sacrificing something.

Many resources are used to grow your ministry. These include time, energy, attention, finances, and others.

Q.) What are some key resources God has provided for your ministry and how do you decide where to allocate these resources?

A.) _____

80/20 PRINCIPLE:

This principle allows you to manage less things for greater results. The principle states:

- 20% resources produces 80% of results
- 80% resources produces 20% of results
